COMBINED PACKERS

The “FC” series is composed of the most versatile wrap-around case packers that perform all kind of wrap-around case packs.

They can be combined with shrinkwrapping machines

These lines can pack a collation of products in full case, shelf ready cases and bottom trays with all types of lids (U-shaped lid, cross lid, etc.); the lid and tray can be pressed or glued depending on the customer’s requirements.

Built according to the strict EC standards.

**up to 25 packs
PER MINUTE**
