

MODEL

# VF WR

WRAP AROUND CASE PACKERS

The “VF WR” series is composed of compact wrap-around case packers suitable to pack full cases (shippers), display cases, display tray and bottom trays. Equipped with a flexible collating system.

On request, the line can be designed to allow a manual or automatic insertion of a partition.

The machines can be combined with Film shrink-wrapping machines.

All lines have a cardboard magazine with storage capacity suitable for the required speed and with easy loading during the normal machine operation without machine stop.

Built according to the strict EC standards.

**10 to 50 packs  
PER MINUTE**

MODEL	MAX SPEED
VF 50 WR	up to 12 packs/min
